Hi Mike,

Long name changed to Arcelor Mittal Indiana Harbor Oil Discharge and short name changed to Indiana Harbor Oil Discharge. Thanks for the info.

Thanks,

Casey Comer
Case Manager(Northeast & Great Lakes)
National Pollution Funds Center
2703 Martin Luther King JR Ave SE
Washington, DC 20593-7605

Mike - You can't do it. We have to do it in our Oracle data base which may not take in CANAPS. What do you want to call it? Pat

Is it possible for me to change the name in the system. If yes, how?

Mike Beslow
On-Scene Coordinator
US EPA, Region 5

was addressing multiple issues at once.
> The release was near the ArcelorMittal facility, but they claim the oil is not theirs. However, they
believe their actions may have caused a disturbance of oil already existing in the water. I will be
visiting the site with members of MSU Chicago this morning.
> You should also know there is probably a relationship with this site and the eci south and west tank
farm sites.

>> Mike - FYI, Casey Comer will be the Case Officer for this one. He can be reached at (202) 795-6142 or
e-mail Casey.J.Comer@uscg.mil In the event he isn't available, you can contact me using the info below
or our Command Duty Officer at (202) 494-9118.
>>
>> I note that while the 'Incident Name' says 'Mystery', you have filled in the RP name as ARCELOR MITTAL
so this is not a Mystery spill. Is that accurate?
